Hello Maya members, well it looks like we are in for a hot summer this year. As you all know by now the re-scheduled "Around the World Shoot" went really well. We had a total of 211 guests show up for the shoot. It turned out to be a very hot day but the shooters still had a good time. The animal targets that John Taro (V.P. Target) and his helpers repaired and prepped for the shoot were awesome. The range was in great shape, I would have liked to see more Green grass but I am certain next year will be better. Thanks to all the members that came out and helped to run the shoot and insure our guests had an enjoyable time. We heard many good comments regarding the targets, the range and the club members who ran the shoot.

As you know the Broadhead League started on May 3rd. Attendance so far has been a little short but now that hunting season is just around the corner we expect an increase in attendance as members prepare for planned hunts. Hopefully by now you know if you were drawn for California. If you are successful on your hunt please take pictures and send us a photo so we can put them on our web page and the newsletter. Here's wishing good luck to all you hunters.

We are still looking for a Publicity Representative for the club. If you think you might be interested in helping out let me know. It's still a ways out but starting in October we will be looking for nominations to fill the following positions.

At the October meeting we will be accepting nominations for:

Club President (currently filled by Carlos Rodriguez)

Vice President Target (currently filled by John Taro)
Vice President Hunting (currently filled by Dave Baker)
Secretary (currently filled by Deborah Deas)
Publicity Representative (currently Vacant)
Three elected Board Members. (Currently filled by Bob Lawson,
Kent Reilly, Rick Leonard)
Let us know if you are interested in any of these positions.
Voting will be at the December meeting on 12/04/2012.

Well that's all for my part. Once again, GOOD LUCK to all you hunters.

Carlos Rodriguez

The next Maidu All Skills Archery Classes are Wednesday July 18th followed by Aug. 8th from 6:30pm to 8:30pm. The August class will be the last Wednesday for the year. These classes are held at the site in range far right side. During these classes the site in range is still open except for the 20 yard target for safety reasons. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Maya hosted the DFG youth archery clinic Saturday April 28th and we had 52 youth ages 8 to 17 learning the sport of archery at their skill levels. Several members helped out in this event earning work party credits towards next years membership dues.

The Maya Family day was held May 12th. There were activities for everyone. Several youth and adults tried archery for the first time and now hopefully they will come out with their family and enjoy shooting too. Keep safety in mind while out using the range.

We went to Cooley Middle School Friday June 1st to run an archery range for their Cultural Heritage Bizarre. There were roughly a total of 350 to 400 youth go through the archery range. Fun was had by all.

Treasurers Corner, By Olivia Lawson

Recently we mailed out the 2012-2013 Membership Renewals to all Life, Family, Adults, Youth, Senior, Associate, Full Time Military, Full Time College Student members. If you didn't receive yours please give Deborah Deas a call or email her at deborahdeas@comcast.net . They are due the first of July as the gate combination usually is changed around this date. We have records of all credits earned so if you have any questions please free to call and we will research it.

We have new requirements for work parties and event participation for membership that was included in all memberships except those exempt which are the Life, Associate and those over the age of 70 years if they choose not to do the mandatory work. We need to know if you are 70 and are unable to help during the work parties and Club Events such as the Awesome Stickbow Classic or the Maya Around the World Open. If you are over 70 years and want to help out we have light duty in the kitchen and clubhouse area, and we welcome your help at the work parties and special Events. If you are unable to work at all during the year we have a membership of \$240 called a Non Working Member available. If you are confused about any part of the membership please come to a meeting or contact Deborah Deas or Carlos Rodriguez.

Also once again we are looking for those members who will be 55 by the end of June 2012 to become a senior member and have a dues reduction from \$ 120. down to \$40. per year. So if you fall into this category please let us know so we can update our records and charge you the less of the two dues. deborahdeas@comcast.net we will make that adjustment for you over the telephone or email.

Monthly we have been having about 7 or so guests come out with club members to use our range. They have been filling out the liability forms and placing their \$5.00 fee in the envelope provided outside the entry door on our clubhouse. We have a drop slot on the door for lost arrows, and guest envelopes for members to use.

Nice seeing so many coming out to the Broadhead League and the 3-d Field Point League on Thursday evenings starting at 5:00 – 6:30 I believe.

Take care use the range and have a good, safe, fun summer!

Nor Cal By Robert Moore

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 7 archery/bowhunting clubs and 2 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA).

What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is “Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages”. This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters. Future meeting dates, July 11th and August 8th, 7pm at the Maya Clubhouse.

The CBH/SAA state broadhead championship was held at Tejon Ranch on memorial weekend. Reports of a record 198 shooters participated in this two day event. The Big Game Opportunity Drawing was held with all 250 tickets being distributed.

The Fish and Game Commission (FGC) has adopted this year’s big game regulations at their April meeting. Department of Fish and Game (DFG) have submitted proposals to FGC on upland bird regulations at the May 23rd meeting. One change up for consideration is adding days to the Archery Pheasant season so its 30 days long. The Sport Fishing Conservancy has made a request to FGC to possibly eliminate Bowfishing for Sharks by changing section 28.95 of the ocean fishing code. This section of code also specifically states what species can be bow fished in ocean waters. The actual language change has not introduced so it is not know if it will only pertain to sharks.

It’s apparent that the Humane Society of the United States has severely ramped up its efforts in its pursuits of eliminating all hunting, fishing and pet ownership as stated by the organizations president Wayne Pacelle.

CBHSAA Alert:

State Senate bill SB1221 has been “gut and amended” from an air pollution bill to now eliminate the use of dogs in the hunting of bears and bobcats. The bill was modified by Senator Ted Leiu and co authored by Darryl Steinberg with the help of the Humane Society of the United States (HSUS). The bill passed out of the Senate and is now in the Assembly Natural Resources, Water and Parks Committee with its first hearing set for June 26th. Visit CBHSAA web site at www.cbhsaa.net and go to the Legislative link. Information on sending letters, sample letters etc. are available to make it easier for you to voice your opinions. Sign up to the ALERT network and CBHSAA will keep you informed on issues related to archery and hunting in a faster time frame than newsletters.

Hunting VP - Dave Baker

Today is a good day for the future of wildlife in America. The court victory which upheld the constitutionality of the Congressional wolf delisting is now final. This has been a long time coming.

Here is what is happening: No appeal has been filed with the Supreme Court on the Congressional Wolf delisting challenge. This means that all legal remedies have been exhausted by the parties challenging the wolf delisting provisions. The delisting language is now the law of the land. Wolf management in Idaho and Montana can continue without the cloud of this litigation.

We are grateful to the other conservation organizations that joined as parties in the wolf litigation. Certainly this was the effort of not a few, but of many. In particular, we are grateful to attorney Ted Lyon for his tireless work on the lawsuit on behalf of the conservation organizations and for his work in obtaining passage of wolf delisting legislation in Congress.

A MESSAGE FROM V.P. ROBERT WILLIAMS

This is just a simple message of thank you to all the members who made our annual shoot a success. It was a lot of hard work by several dedicated people who put in many man/woman hours working days in advance preparing for the shoot. A special thank you to all the people who attended the pre-work parties, the regular work parties, the folks who worked the shoot and assisted with the clean up after the shoot. Again, thank you all.

Robert Williams, Vice-President
