Maya News October/November 2016

Congratulations to Carlos Rodriquez, Tom Perkins, Robert Williams in A12 in harvesting their mule deer. Also Johnny Waddles was successful in harvesting his whitetail in Washington this year. So far they are the only members I know who have been successful during the archery season. I some of you off elk hunting in other states and I'm waiting to hear back on their success. Robert Moore took a nice bull in Idaho of late and there several others of our members hunting elk in Colorado & Idaho during September. So if you have been successful this year during the archery season, please let me know so you can become eligible for club hunting awards. Send me a picture and I'll have them posted up on our club website.

The California Department of Fish and Wildlife (CDFW) reminds deer hunters that all deer tag holders are required to report their harvest, even if they were unsuccessful or did not hunt. Harvest, survival and recruitment information are vital to projecting deer populations and setting tag quotas for the next year's hunting season. By submitting a completed report on-time, hunters can actively help CDFW assess deer populations and also avoid a fine.

Hunters who harvested a deer are required to report within 30 days of harvest or by Jan. 31, 2017, whichever is earliest. Hunters who did not harvest a deer, or did not hunt at all, must report by Jan. 31, 2017. Failure to report by the appropriate deadline will result in a non-reporting fee of \$21.60 being assessed when purchasing next year's tag.

CDFW instituted a grace period during the first year of mandatory deer tag reporting so deer hunters could become acclimated to the new reporting regulation, which was enacted on July 1, 2015. During the 2015 season, only half of all tag holders reported, while others reported late or submitted incomplete reports. The grace period has now ended and fees will be assessed for 2016 tag holders who do not report on time. Tag holders have two options for submitting a completed report. The preferred method is online at www.wildlife.ca.gov/licensing/hunting#9941260-tag-reporting.

Reports may also be mailed to the address listed on the report card (CDFW Wildlife Branch, P.O. Box 944209, Sacramento, CA 94299-0002).

Just remember that there is no smoking on the range even with the e-cigarettes.

Looking for help decorating the Zombie/ Halloween shoot .

I am looking for volunteers to decorate the lanes again this year. There was a nice turnout last year and I want to thank the club members for the assistance. We can use even more help this year. We need creative people to sponsor lanes. There are some supplies left over from previous years or if you have old Halloween decorations or creative ideas on decorating come share them with us.

Email me or John Tarro if you would like to assist this year.

Hello Everyone

First of all I want to apologize for not showing up for the July Club Shoot. I wasn't feeling well.

We did have 3 members show up, Rick Chapman, Mike and Matthew Murphy.

They were able to get in a club shoot.

For the September shoot we had 10 members come out. The weather has been perfect.

Our Club Championship is October 9th, hope to see a lot of members come out.

Keep shooting straight

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday October 12th at Maya's clubhouse, 7pm. Regional field championship will be held in conjunction or Maya's club championship. Members of CBHSAA or NFAA can compete in the Nor Cal Championship October 9th.

The next California Fish and Game Commission meeting (CFGC) will be held October 19th and 20th in Eureka. Agenda has not been posted at this writing but items of interest include a Wildlife Resources Committee (WRC) update from the Predator Policy Workgroup (PPWG). Several items that have been recommended from a few members of the PPWG include the elimination of section 366 of Title 14 which would ban archery bear hunting.

Maya Archers has a long tradition of holding events that promote uses of the bow and arrow. Events include tournaments, leagues, shooting instruction, conservation classes and bowhunter education. Partnerships with California Waterfowl Association, Department of Fish and Wildlife, City of Roseville and other groups to hold classes/events at offsite locations or at Maya Archery Range.

The next Maidu All Skills Archery Classes will be Saturday, October 15th and November 19th starting at 10am to 12pm. Several Girl and Boy Scout groups are scheduling sessions that will be held on the same Saturdays as the Maidu classes. Classes are held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Hello Maya Members!

The 2016 Stickbow Classic is fast approaching, so it's that time again! Please let me know if you have any suggestions for what you'd like to see in the raffle (I'm running dry on ideas). If you have something that you'd like to donate yourself you can bring it to the clubhouse during a meeting, work party or club shoot, or let me know if you need it to be picked up. Remember: items do not need to be archery related, just something that you'd like to win in a raffle. Please let me know if you have any questions – adriennetay@gmail.com.

Here are some of the companies that have donated so far: Bob's Carwash, Cabela's, Scheel's, Dick's Sporting Goods, Girls with Guns, iFly Sacramento, Shock Strap, Strike's Unlimited.
