Presidents Report- Carlos Rodriguez 916-201-6798

Hello Maya members it's a new year and everything is looking nice and green at the club. The Polar Bear league is up and running, we have had good attendance and hope to keep it up. I would like to thank everyone who has helped

out in setting the animals out Saturday mornings. For those members who have not shot the league and would like to but have never shot a 3-D league, it's ok just come on out Saturday morning and get a hold of me I will be more than happy to take you out and show you how to score and have a good time. This year the youth fair at Cal-Expo was a lot of fun. We had many kids come by and shoot archery. Thanks to all the instructors and volunteers who helped out in this event for the club. Well, I hope I'm not forgetting anything important. Till next time, see you at the range...

Hello Maya Archers,

Just a quick reminder - Maya's **Around the World** shoot will be held on Sunday, April 17, 2016. We are looking for raffle prizes for this event, and are asking Maya members to look around over the next few months and see if they have anything to donate. As Olivia suggested to me once, "Think about that Christmas gift that you got that you really don't want. Instead of storing it, why not donate it!"

Donations are not mandatory, but are greatly appreciated as they help make the raffle a success. Note that prizes do not need to be archery or hunting themed; just think of anything you'd like to win. If you have something to donate, or have any questions, you can contact me at [916-749-0835](tel:916-749-0835) or adriennetay@gmail.com. I can meet you at the range, or come by and pick up the item(s), gift certificate, or whatever...thank you in advance for helping to make our event a success!

Please also remember that at the event we will need volunteers to help with parking, registration, raffle, food booth servers, safety trail walkers, novelty target workers, bike trail security, help in the kitchen, and to set up/take down targets at the end of the day. For Event work credits we are required to work at least 5 hours; though you are welcome to work longer if you want, because it's a lot of fun. We will have a sign-up sheet at the range when it gets closer to the event, but mark your calendars now!

Have a great week!

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at

times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday March 9th at Maya's clubhouse. The meeting will cover the one CBHSAA petition voted on at the annual meeting that was modified from its original submittal, Nor Cal indoor championship tournament scheduling etc. Lodi Bowmen won the bid to host the State Broadhead Championship May 28th and 29th.

The next California Fish and Game Commission meeting (CFGF) will be held February 10th and 11th in Sacramento California. Agenda has not been posted at this writing but items of interest include public comment on the notice of intent to amend mammal hunting regulations (Sections 265, et al., Title 14, CCR).

The Fish and Game Commission has had 2 Commissioners, Baylis and Kellogg resign and the Executive Director, Sonke Mastrup retire. This leaves 3 commissioners left and at the minimum quorum level. The Governor will hopefully fill the positions with hunter/fisher friendly persons soon.

The California Department of Fish and Wildlife has had its Deputy Director, Dan Yparraguirre retire effective December 31st. The Director, Chuck Bonham will have some of the chiefs fill the position for a while to see what person best fits the position.

The next Maidu All Skills Archery Classes will be Saturday February 20th and March 19th, 10am to 12pm. This will be the last Saturday classes till the fall. Wednesday evening classes will start May. Classes are held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.
