Maya News

December 2017-January 2018

Hello Maya members it's time for another newsletter. November 5 was our annual stickbow classic and we had a decent turnout, good weather, and everybody enjoyed the shoot. I would like to thank all the members that came out and help set up on Saturday. We had a lot of good help out there met a lot of new members and the range looked good. I also want to

thank everyone who came out on Sunday to help out for the Awesome StickBow Classic. We had plenty help, plenty of help in the kitchen and in the Cook shack's. I want to thank the youth for coming out and having to cook shack in the back. I want to thank Wilderness Archery for their donation, Black Bear diner, Sportsmen's Warehouse, Trophy Bowstrings and everyone who donated to the club. Now moving onto other things and some of you may have noticed we have been doing some improvements to the range. I would like to do a special thank you to Mike Grandville for building new roof tops for our bales they look awesome and everyone's been really happy with them. Upcoming events December 9th Nevada Sportsmen's club will be holding their annual Ham Shoot. This is a fun shoot, I hope you can make it out. January 6th will be the start of the Polar Bear league Registration is from 8 o'clock till 9 AM and goes for on for 12 weeks. Hopefully I'm not forgetting anything and if I do it'll be on the next newsletter that's on my part will see you guys at the range.

Maya Archery Range.

The next Maidu All Skills Archery Classes will be held Saturday December 16th and January 6th from 10am to 12pm. Classes can be held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

Nor Cal /
Legislative

The next Nor Cal meeting will be Wednesday January 10th at Maya's clubhouse; 7pm. CBHSAA petitions will be discussed. Maya members that are members of CBHSAA will have a chance to discuss the same petitions at our December meeting.

A California Fish and Game Commission meeting (CFGC) was held December 6 & 7 in San Diego. The 2018 fishing regulation package includes adding the take of catfish by bow and arrow in selected waters. The waters are Big Bear Lake, Lake Isabella and Sac/bay delta. Vote to approve this addition will take place at their December meeting.

Most of California archery seasons have ended. Only a few special hunts are still active and will end soon like the Bass Hill Archery season. It is time to start looking ahead to 2018, out of state hunts. Wyoming kicks off the application period for elk on January 1 and closes January 31. Whereas Wyoming is considered, there will be an increase in tag fees across the board for all species in 2018. This may be a little hard to swallow if you hunt in Wyoming as their tags have been below the costs of other western states for some time until now. I will be posting deadlines for tag application dates to our members via email for all the western states as they become available.

Application deadline for applying for Oregon preference points (antelope, deer, elk, & spring bear) closed November 30, 2017.

Once again, I would like to remind all bowhunters that they must report their unsuccessful season by January 31 to California Department of Fish & Wildlife. Otherwise, they will charge you an additional fee upon purchasing your 2018 license & tags.

Many of you should have heard that we are putting on a Sausage Making Clinic using wild game on December 2nd. We have plans on doing another one sometime in late January or February 2018. This will involve making burger patties with cheese and peppers. This will be an advance clinic for those who are interested in doing something special with their wild game. I want to thank Tom Burns for making this happen and giving us the opportunity to learn how to process our wild game.

Hello Maya members,

Just a reminder to check the website for any upcoming events at the range and the work parties. The work parties start at 8:00 a.m. and we have them on the second Saturday of each month. We need as many workers as we can get for this next work party, there's always a fabulous lunch served on these work parties, served by Bob and Olivia. I want to let everyone know that when on the range, always shoot from the stakes marked for their respective target & lanes. There should be no smoking & of any kind and no shooting at any animals. So be safe on the range and just have fun, anybody can email me at bearhunterbrad@yahoo.com if you see anything wrong on the range or just want something done to improve the range.

Hello Members,

Hope everyone had a good Thanksgiving.

Our Awesome Stickbow Classic is now over, we had 82 shooters. Good time was had by all.

December 3rd is our Toys For Tots drive. Please bring a unwrapped toy, that will be your entry fee.

Bob and Olivia are serving a turkey and ham lunch.

Hope to see a lot of shooters so the children can have a good Christmas.

Keep shooting
