June-July 2018

Hunting Article

By the time you have your June/July E Newsletter... the deadline (June 2nd) for the special California big game drawing has passed. It's time to starting planning your hunt options depending on your tag drawing. Now is the time to turn to going over your gear (Camping gear, Clothing, Boots, Packs, Optics, Hydration Systems, Kill Kit (knives/game bags), GPS/Navigation systems, First Aid, Survival kit, and equally important is your Archery gear (Bow/Arrows & etc.). How did you put these items away after the seasons ended last year? Was everything cleaned and or replace if they were used? Do you remember if any of those items were in bad order and in need of being replaced? Maybe an item of gear didn't work for you and you contemplated replacing it. Or you learned or picked up on a tip of new gear that you might want to try. Now is the time to make sure everything is working and serviceable for the impending seasons. That way you won't be scrambling around before your hunt.

Your gear will most likely vary depending on the type of hunt you're going on and the time of year. Day hunts require less as opposed to Base Camp, Spike Camp, or Back Pack hunts. Hunting out of state begs a whole different approach on what you take with you. Make out a list ahead of time of what you need and make sure you have what is needed for the type of hunt you are preparing for. Have the items grouped and set aside and check them off your list. That way you avoid that nagging feeling of; 'did I bring everything I need'? Oh, do I have my license and tags?

Many of our members are experienced bowhunter's and are willing to help out those who ask. If you have any questions, please feel free that you can contact me and I'll do my best to help you out.

CDFW would like to provide information collected from deer tag and other reporting efforts made by hunters. In that spirit, here is some of what we learned from the 2017 deer tag harvest reports. The number of tags sold in 2017 was about the same as in 2016. The average hunter spent seven days in the field in 2017. Of the 132,610 deer tags reported (76 percent of all tags issued), 21,878 reported harvesting a deer, for a 16 percent success rate statewide in 2017. Deer tag reporting was down 9 percent from last year. Avoid the non-reporting fee by making sure you report your deer tags on time. We depend on deer hunter reports as an important source of data in support of hunting and other management actions for deer conservation.

Sporadic sightings of elk have been reported in Plumas and Sierra counties for the last decade. It is presumed the elk originated in Lassen County and are expanding their range southward into Plumas and Sierra counties crossing Highway 395. The purpose of this study is to gain baseline data on the number of elk that are settling into Plumas and Sierra counties by placing GPS telemetry collars on four individual animals.

Community:

Maya Archers has a long tradition of holding events that promote uses of the bow and arrow. Events include tournaments, leagues, shooting instruction, conservation classes and bowhunter education. Partnerships with California Waterfowl Association, Department of Fish and Wildlife, City of Roseville and other groups to hold classes/events at offsite locations or at Maya Archery Range.

The next Maidu All Skills Archery Classes will be Wednesday June 6th and July 11th starting at 6:30pm to 8:30pm. Adult Archery Classes for Maidu are scheduled for Monday June 4th and July 9th starting at 7pm to 8:30pm. Classes can be held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Instructors will be traveling to Birds Landing June 3rd for a youth fundraising event with California Waterfowl Association. We will set up and operate an archery range in conjunction with trap and skeet shooting for the "Ray Days" event to benefit youth shooting sports.

Nor Cal

Nor Cal /
Legislative

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday June 13th at Maya's clubhouse; 7pm. No agenda has been set at this writing. Regional area tournaments include Nevada County Sportsmen June 2nd or/and 3rd and Cougar Mountain Archers June 17th. California Bowmen Hunters State Archery Association Field championship is June 9th and 10th at Straight Arrow Bowhunters archery range in Redding.

The next California Fish and Game Commission meeting (CFGCM) will be held June 20 & 21 in Sacramento. No agenda has been posted at this writing. By the time you get this newsletter the deadline for Big Game drawing applications would have passed, good luck on your choices.

Hello Everyone

At our 3D Championship Shoot, which was held in April, we had 87 shooters. At our Around The World Shoot we had 227 shooters. Good time was had by all.

Would like to see more members come out to the club shoots, which is held the second Sunday of every month.

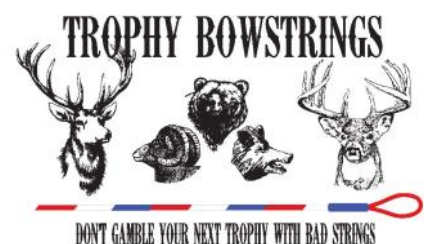

Keep shooting straight
Doloris
