## June-July 2019

June 2<sup>nd</sup> was the deadline for Big Game application with the California DFW. I expect draw results to come out sometime around June 17<sup>th</sup>. With that we always see a peak in attendance in our Saturday Broadhead League for those who have drawn a limited quota tag here. With this we find that uncaring members have saw fit to use our target butts for sighting in there Broadheads. We have a broadhead pit for this purpose! You are allowed to bring your own broadhead target and setup it up alongside of the target butts for sight-in purposes.

Broadheads shot at the hay butts are strictly forbidden. We have a Broadhead League is geared towards bowhunter's and is an excellent chance to tune your equipment shooting at 3D animals before the bow seasons.

I will be holding another Hunting Meeting on Wednesday, June 26<sup>th</sup> at 6:30 PM in our clubhouse at the range. From the feedback from those who attended the last meeting felt that choices and information covered in regards to gear and equipment was valuable. I will be getting in more depth on building a kill kit, gutless method, and meat care. I will also get into footwear and bring some examples of boots for various field conditions. Or, if you have any other thing that you might want to be covered... please let me know and I'm sure I can provide an answer, item of gear or etc. to be covered at the meeting.

Good luck in the draw and best of luck in the coming seasons.

## Membership billing will be coming out in the mail on or around June 20<sup>th</sup>.

Our last work party for the year will be on June 8<sup>th</sup>, beginning at 8:00 AM. This will be the last chance for those members who are in need of work credits for the 2018/2019 membership year. Once the work party is completed the billing process will begin.

Important: If you have changed your address in the last year... I need the address change so that you billing will reach you in the mail.

Thanks,

Hello Everyone

Not to much to report on. Our Around The World Open is over. We had 224 shooters which was up being that we had it on Saturday instead of Sunday since it was Easter.

Our club shoots are way down. Would like to see more shooters come out. This is the way to earn your spot awards.

Classes can be held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

## Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting?

Nor Cal /  
Legislative

There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday June 12<sup>th</sup> at Maya's clubhouse; 7pm. NFAA Petitions will be discussed and voted on in preparation for the CBHSAA mid-year president meeting June 22<sup>nd</sup> in Visalia. The state Marked 3D championship will be at Cougar Mountain Archers Sunday June 16<sup>th</sup>. Local Regional tournaments, Cougar Mountain June 16<sup>th</sup>, Feather River Archers June 22<sup>nd</sup> and 23<sup>rd</sup>.

The next California Fish and Game Commission meeting (CFG) will be held June 12 and 13 in Redding.
