Range Manager -
Brad Hastings

Hi Maya bowhunters and Archers,
Just a reminder that there is a work party on the second Saturday of each month and that there is no smoking on the Range. The work parties start at 8 a.m.

There is no broad heads allowed on the range, only beside the site in bales.

Brad Hastings
Range Manager

Hello Maya Members,

We're into Fall now and welcomed some way overdue rain this past week. Not only does our state need this precious liquid, but it would sure help with the fire devastation. Please still be careful while on the range, as the fire danger is still high.

November 2nd is our Stickbow Classic. For those of you who haven't emailed or called me to work this event and you still need to work an event, get ahold of me. By volunteering your time and effort, this shoot will be fun for our traditional guest. Repairing of targets and other essential needs for the Stickbow Classic is going on every Tuesday from 9:00 a.m. until 2:00 p.m. with lunch provided. Thanks in advance for any and all help.

While on the range, be observant of the clubs surroundings. I've been asked by Roseville PD Transient/Homeless Task Force to report any and all homeless people, camps, etc. They want to be pro-active to keep our club and business's in the area safe. This also goes for unsupervised non members, kids, paint tagging, vehicles entering from the back, harassing or shooting of wildlife. Please use the numbers on your membership card to call the proper authorities.

The hunt is on now. Anyone who is successful (Congratulations), can send in pictures to Dave Baker to have them put on our website. As for me, I might squeak out a few days from making strings and getting the Stickbow together to deer or pig hunt. I'm not holding my breath though. Good Luck to all!

Enjoy and promote this sport of Archery. Stay safe!!

John Laubinger
Vice President

VP-John Laubinger

Notice: The club was vandalized in September. Attempts were made to access the clubhouse and damage to the new container happened. We ask that you keep an eye out for any suspicious people or vehicles at the range. Let's all make sure the gate is locked after entry and departure.

The next Maidu All Skills Archery Class will be Saturday October 18th and November 15th from 10am to 12pm. These classes are held at the site in range far right side. During these classes the site in range is still open except for the wall of hay. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Several scout groups have scheduled archery events the next few months; these will also be on right side of the site in range.

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 7 archery/ bowhunting clubs and 2 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The California Fish and Game Commission (CFGF) next meeting is October 8th in Shasta. Agenda items include: Possible ratification of Commission findings to list Gray Wolf as threatened or endangered. Possible changes to regulations regarding predators, non-game and furbearers. Possible changes to hunting contests and/or inducements.

State Legislation had to be acted on by the Governor at midnight September 30th. Bills affecting sportsmen of interest, AB 1709 (Junior Hunting Licenses) signed by governor, AB 2105 (Big Game Fundraising Tags/Wild Sheep Tags) signed by governor, SB 199 (BB and Pellet Guns) signed by Governor, SB53 (ammunition registration) failed passage, SB1434 (Pittman/Robertson fund expenditures) signed by Governor.

I have noticed that when posting club shoot scores if somebody gets a 20 spot they aren't putting target number, field, hunter and yardage. If you want to get credit, you will need to have these items posted on back of your score card and have it signed by another member shooting with you.

I would like to thank the club members who have been coming out to our club shoots. Remember, the club shoots are the second Sunday of each month. I would like to encourage all of our new members to attend our club shoots. Its a great time to meet fellow archers and have fun shooting.

Hello Maya Archers, hard to believe Summer is over already. It seemed to have flown by so fast. With the fall brings several changes, :
The weather is cooler at the range so I can stay outside longer.
The occasional rain if we are lucky will help green up the dry grass.
The return of the Zombie Halloween hunt (see flyer)
Seeing the traditional archers arrive again for the awesome Stickbow Classic
And the let's not forget the upcoming Toys for Tots shoot and lunch. (see flyer).

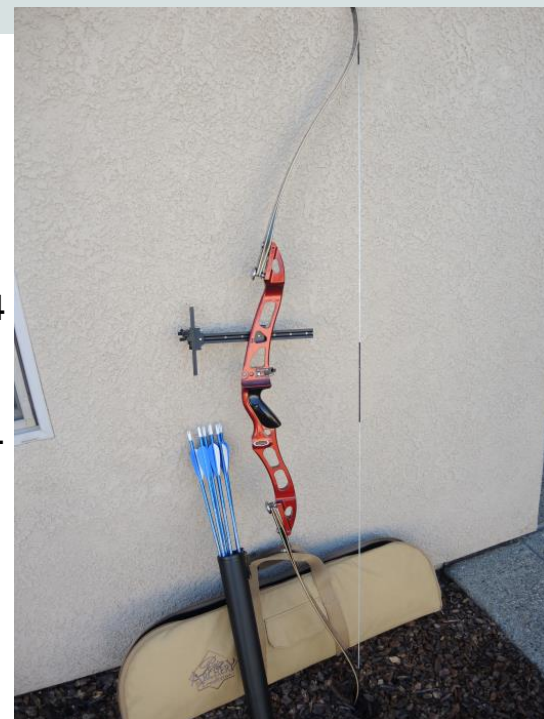

Item for sale:

Over two years ago I bought a Hoyt Horizon recurve. I am 86 years old and should never have bought a recurve, as I can't shoot it. I paid \$450 for the bow, added a case, stringer, sight, rest, cav plunger. I have \$674 invested, plus arrows and a quiver. I will sell it all for \$375.

I live in Lincoln and my phone number is 916-295-6433.

Thanks; Bob Snook
