It's a new year for Maya membership. Things are looking good at the club. It's been extremely hot at the range! Remember to drink plenty of water and stay hydrated. A friendly reminder there is NO SMOKING or Drinking on the range. Everything is very dry and the last thing we need is a fire. If you have been out to the range lately you might have noticed we have been putting new yardage markers throughout the entire range. It's looking very nice out there. I'd like to thank Dave Rosin for coming out and re-doing all the stakes. If you see Dave make sure you thank him.

Now moving on to other topics, The Broadhead & Field Point League has come to an end. We had had a good turnout this year. Hopefully members and guests liked the way we set up the range and will be back next year for more fun. We also held The Broadhead & Field Point League B-B-Q the last week of the league shoot. Not many shooters showed up but the ones that did show up were fed like kings.

Now onto more important things, we've finally set a date for the Club 3-D Championship. This shoot will be for members only. It's scheduled for Sunday November 9th and set up on Saturday November 8th. It is a work party day so come out and help set up the range. We will have 28 3-D animals and a 3 arrow shoot scoring 11,10,8. So make sure you put that on your calendar.

Not much goes on in the club throughout the months of August and September. Hunting season is on its way so good luck to all you hunters. Remember if you are successful in harvesting an animal please send Dave Baker a picture so we can post it on Maya's web site. That's all the news for now. See you at the range!

Hello Maya members,

I'd like to say welcome to all new and returning members. Membership, constant use of the clubs sight-in range, field course as well as our leagues, archery classes, community services and special events are all relevant to our clubs existence. "Thank You" to all that help to keep this club thriving.

Temperatures are rising and fire danger is HIGH. Please be as cautious as you can while on the range. Stay hydrated even while indoors. Try to limit your practicing during the cooler mornings or later evenings.

Coastal deer archery season is open. I wish anyone who hunts this early season will be successful. More importantly, have fun with friends or family in the great outdoors. I went and came home with a medium hog, (sorry no pictures).

The Broadhead league is over and the awards BBQ was held July 26th. "Thank You" to all that participated. There were improved numbers of shooters this year due to great prizes and raffle. I hope all that attended the BBQ had a good time and left with a prize or just fun comradeship. I'm sure you all ate well.

The Summer league will finish July 31st, with the BBQ on August 7th at 6pm. If you shot the Summer league and would like to attend the BBQ, sign up or give Robert Moore a call so he can get a head count. We look forward to seeing you at the BBQ.

The Awesome Stickbow Classic is November 2nd. If you need to fulfill your membership by working this event, give me a call to volunteer. I would like to start putting a list together. All members are encouraged to volunteer their time even if your requirement is fulfilled. We can always use the extra help. See you out at the range.

The next Maidu All Skills Archery Class will be Wednesday August 6th 6:30pm to 8:30pm. No class is September and the fall/winter classes move to Saturday mornings starting October 18th 10am to 12pm. These classes are held at the site in range far right side. During these classes the site in range is still open except for the wall of hay. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

The Summer Field league shoot ended Thursday July 31st with its BBQ Tri-Tip and Chicken August 7th. Participation was down a few people but we did have 3 students from Wood Creek High School Archery Club attend. All who participated enjoyed getting out shooting the field course.

Hello Everyone

Good News--We had 16 shooters at our July shoot.
I will be posting those scores in our next newsletter.

Scores are posted for May and June club shoot.
Remember spots are counted toward your total spots.
Awards will be presented at our banquet in March.
Club shoots are held the 2nd Sunday of each month.

Sign ups are between 8-9am.

Keep shooting straight,
Doloris

Membership

Our membership drive is just about finished. Cards are mailed out every Wednesday.
If you haven't gotten your card it's because I haven't received your dues.
One of the most common items I get is "I forgot to sign the book when I worked".
This made me think, at one time in your life most people have to report in at work in some fashion.

If you forgot to punch a time card or reporting to the person who shift you are replacing, you didn't get paid.

If you view a WORK PARTY, as going to work to make money I bet you won't forget to sign in.

If you want to get paid (credits off your membership) sign the book!

Hello Maya member's,
Just a reminder that there is no smoking on the Range,
There is a work party coming up on the second Saturday of August, would like to see you out there. Starting time is 8:00a.m. Also get to enjoy a good lunch for all the hard work you do.
Shoot straight and be safe.
Brad Hastings.

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 7 archery/bowhunting clubs and 2 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The California Fish and Game Commission (CFGF) next meeting is August 6th in San Diego. Agenda items include: Upland bird regulation adoption approving changes that include additional archery pheasant post general season for 28 days. Possible ratification of Commission findings to list Gray Wolf as threatened or endangered. Possible adoption of regulation changes to Waterfowl regulations. Possible changes to regulations regarding predators, non-game and furbearers.

State Legislation AB2268 that would make changes to Wild Pig designation has been removed by its author.

Maya Archers of Roseville now has an official Email address!!!!

mayaarchers@yahoo.com

Please help spread the word about the mayaarchers.com website and now our new Email address
mayaarchers@yahoo.com

Hello fellow archers,

For those that do not have an email address or just don't check them, our website, mayaarchers.com, now has a tab near the top labeled Email. Selecting this tab will bring up the page that has the latest emails that have gone out to general distribution. If you are finding that Emails are going out but you are not receiving them and wish to, email myself or the clubs new email address.

Speaking of Emails, at the first of August we will be closing out the existing email distribution list and starting a fresh list of all active members. If you are no longer an active paid member, the email distribution will no longer have you populated automatically. Let me know if you are still an active member and you stop receiving the Emails. Also let me know where you would like them sent as some of the entries are not in the Club database but are added in manually due to multiple Email addresses per member ID. We are not against two email addresses, just let us know if they stop showing up and we can get the address added back in.

Maya Archers 3D- Championship November 9th -2014

- Location- Maya Archery range
- Awards to be presented at the anual club banquet.
- 28 targets -3 arrows each
- 11, 10, 8 scoring per arrow
- For Club members only

Setup will be the Saturday November 8th, the day before the shoot, during the normal club work day. Come out and get credit for working, while helping setup for the shoot on Sunday. This is the Clubs time to shoot the 3 D animals that our guests shoot at the other two tournaments.

For Sale

Ballistic Hunter Arrows (18 total) --
11 brand new, 7 lightly used.
Asking \$60 but settle for \$50

I have some arrows (new and slightly used) that my son has now grown out of in which I was thinking another member could possibly use rather than paying retail.
