Hello Maya members,

this past couple of months have been slow due to hunting season. If anyone was successful this year in harvesting a animal send me a picture or a story on your hunt. I would be happy to put in our next newsletter and post your picture on our website.

November 1st is our annual Stickbow Classic, remember, you have a major event and a work party you must attend for next years dues to not go up in price. If you would like to help out for the stick Bow contact Jeff Azar at (916)390-4904. As you all know, we are loosing our Range Manager Andy Palmer. I would like to thank Andy for all his hard work he has dedicated to the club. Being range manager takes a lot time away from home but Andy found the time to make sure the club was looking good. Again thank you and enjoy your retirement.

If anyone is interested in becoming our Range Manager or publicity for the club or have question please call or email me. One last thing; don't forget that October 11th is Maya's Club Championship along with Nor Cal outdoor championship. So come out and have a good time.

Hope to see all at the range....

Carlos

15th of this year. I'm asking for anyone interested in fulfilling my job to call me so we can meet and then go to a board meeting to get approval. I've really enjoyed my time as your Range Manager and want to thank all the folks who have showed up at work parties and events to help. Without all you dedicated volunteers none of what we do would be possible.

Thank you.

Andy Palmer

Well I've just returned from Utah after a unsuccessful Elk hunt and moving into my retirement home with my dear wife. My last day as your Range Manager will be November

Andy Palmer  
Range  
Manager

Hello Members,

You may see something in Jeffs article on November 1st

If I repeat some of his information sorry.....just want to let you all know about the 28th Annual Awesome Stickbow Classic. No club members can shoot in this event as we all need to work this event nice for our guests.

Its coming up the 28th Annual Awesome Stickbow Classic we will be hosting it on November 1, 2015 we will need volunteers to help with parking, registration, raffle, food booth servers, safety trail walkers, novelty target workers, bike trail security, kitchen help, set up and take down targets at the end of the day. For Event work credits we are required to work at least 5 hours if you can work longer because its fun....that's even better. We will have a sign up sheet at the range or you can contact Jeff Azar .

You will need to let us know if you are helping only morning or only afternoon so we can have someone to do the job during those hours you will be gone.

This is one of two special events, the other one is the third Sunday in April....our Maya Open a one of two required so if you cant make the Nov 1st event hopefully you will mark the third Sunday in April 2016 so we wont have to add a penalty to your dues next year. One work party is also required we have those monthly and just before these special events we call extras in so we can get the range ready before the event.....We serve breakfast and lunch and provide water and soda all day for club workers as a Thank You.

We are looking for raffle gifts for this event so if you have access to anything we can use as a raffle it would be appreciated if you contact me as we currently don't have a publicity person.....give me a call and I will meet you at the range or come by and pick the item(s), gift certificate, or whatever...thanks for your help in advance for making our club one of the Best!!

Olivia Lawson----Maya Treasurer

Treasurer -  
Olivia Lawson

Ashley Reiser

Hello, Maya Archers.

My name is Ashley Reiser and I am your new secretary. I would like to introduce myself by telling you a little about myself. To begin with, I had a natural spirit at heart since I was a kid. I played with animals, mud, and bugs. I still do, occasionally. My grandma always lived up in the mountains, and I loved it. She grew plants and raised animals. She is the one person most like me in this world. We have native ancestry, so nature runs wild in our blood. I can't claim any tribe benefits like lifetime free hunting and fishing, but I have the next best thing, my spirit. I got my first bow around my 16th birthday and practiced hard up until this school year. So,

I'm out of practice but I still love that I found a whole new society of people that I can relate with. I'm both proud and surprised to be the only girl in this club who shoots in the traditional category. I think it's funny to score 250 points and get first at our club shoots. Next summer, I will be turning 18 and will shortly begin College next Fall, but don't worry I plan on going to Sierra for my nursing degree, and UC Davis for my Physician's Assistant degree. Someday, I hope to run a holistic wellness program.

Nice to meet you all.

Your Secretary,  
Ashley Reiser

2800 Dawn Lane  
Lincoln, CA 95648  
(916) 645-9333

Class Secretary-  
Doloris Newberry

Hello everyone

I have noticed that when posting club shoot scores if someone gets a 20 spot they aren't putting target number, field, hunter and yardage. If you want to get credit, you need to have these items posted on back of your score card and have it signed by another member shooting with you.

I would like to thank the club members who have been coming out to our club shoots. Sign in is between 8-9am. I would like to encourage all of our new members to attend club shoots. It's a great time to meet fellow archers and have fun shooting.

Looking forward to seeing you at our next club shoot.

My thoughts and prayers go out to the family of Bob Eckles who passed away.

Our inland archery deer season has come to a close already and it just seems like it just started. Maybe because I had my broadside shot and it didn't find its mark and left me wanting for another chance or a do over. I got a look at several nice bucks this year, but as luck would have it I got way inside of my comfort zone... maybe to close. Head on shots are not to be taken and that was all I was offered in my other encounters. Caught between a rock and hard place it was not going to happen and I watched my chances evaporate. But with all said and done the experience and what we go afield for and learn from these situations we encounter are why we are hunters.

I want to congratulate Carlos Rodriquez and Robert Williams on their success in A12. Both came away with great bucks this year. So far, they are the only club members that I know of who successfully filled their tag. If you were successful this year I would sure like to hear from and get a photo of your success. That way I can get posted on our webpage and if you complete our online measure form you can be eligible for hunting awards. Out of State Elk, Deer, & Antelope are also part of hunting program. So please let me know.

Looking for help decorating the Zombie/ Halloween shoot this year.

I am looking for volunteers to help decorate the lanes this year.

John Tarro and I have done it the last couple years and we are looking for help. Ken and Connie decorated lane 3 last year and did a great job with it. We need creative minds to sponsor other lanes. We have some supplies left over from previous years and new supplies for this year.

If you have old Halloween or zombie decorations or creating ideas on decorating, come share them with us. Email me if you want to help.

The 2014/2015 calendar year membership list has been moth-balled and the 2015/2016 membership list is now exported to the email distribution website. If you did not receive a copy of this email and think you should still be receiving the emails, please let me know so we can see why your membership number is not on our active list.

All the emails that are sent out to the club members can be found on our website. From our main webpage, mayaarchers.com, find the email link at the top of the page.

Nor Cal /Legislative  
Representative  
Robert Moore

## Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is “Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages”. This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA

includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday October 14th at Maya’s clubhouse. Nor Cal region field championship will be October 11<sup>th</sup> in conjunction with Maya’s club championship. Nor Cal member club Nevada County Sportsmen will host and Turkey shoot tournament Sunday, November 22<sup>nd</sup> and a Ham Shoot December 13<sup>th</sup>. These fun shoots are related to score only with the highest score getting a turkey or ham and every 5<sup>th</sup> spot thereafter also receiving a turkey or ham. Never shot a tournament, this one’s for you.

The next California Fish and Game Commission meeting (CFGCM) will be October 8 & 9 in L.A. Agenda items #22 from the Wildlife Resources Committee with recommendations to change regulations related to requiring the use of broadheads for take of turkeys and allowing conventional fletched arrows to take birds sitting on land and water. Both of these are just recommendations at this time working their way through the process.

Deer hunters not able to fill their deer tags will need to report the unsuccessful tag to DFW. Report options include, online, snail mail or drop off at DFW offices. Failure to report will result in a \$20 penalty assessed when purchasing your next hunting license.

## Community:

The next Maidu All Skills Archery Classes will be Saturday October 17<sup>th</sup> and November 21<sup>st</sup>, 10am to 12pm. Classes are held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Community  
Robert Moore

New Members:

I would like to welcome our new members to the club.

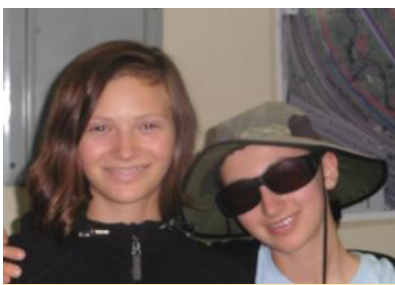

Let's take the time to make these people feel welcome and support them in their archery activities.
