POLAR BEAR LEAGUE - We started the Polar Bear league in January which ran for 12 consecutive weeks ending Sat. March 19th. This year the weather was in our favor, we had lite showers on a few occasions but for the most part we had good shooting conditions. The league averaged 95 shooters over the 12 week period. That is awesome numbers, and we appreciate the support from all who attended. This year we moved animals around to give you more of a challenge, some weeks were easier than others. The good thing is that everyone had to shoot the same 3-D format for your classification.

I would like to personally thank everyone who came out and helped set the animals out in the morning, and take them down at the end of each shoot. It couldn't have happened without you. Once again, I would like to extend many thanks.

AWARDS BANQUET - This year our annual awards banquet was held at Wilderness Archery. I would like to thank Mike Woltering (owner, and life member of Maya) for all the support he has given the club throughout the many years. There were 47 members and families that attended the banquet. Everyone had a good time, and there was plenty of good food and beverages throughout the evening. Wilderness Archery gave the club raffle prizes, many that attended went home with a prize in hand.

AROUND THE WORLD TOURNAMENT - Like last year, we will be setting up the range on Friday April 15th for the set up; we could use all the help that we can get. Saturday April 16th, will be Maya's 3-D club championship, which is exactly the same format that will be held on Sunday. This is for "MEMBERS ONLY". Members can shoot all 42, 3-D animals just like the tournament participants will experience on Sunday April 17th, yes that means you get to shoot the BIG ELEPHANT. This shoot is considered by many one of the highlights of the year.

BROADHEAD & FIELD POINT LEAGUE - Check out the flyers or our website covering Broadhead league and field Point League beginning in May. See you at the range...

Hello Maya Members,

The Around the World shoot is just around the corner. This is a very large shoot for the club and with what looks to be a beautiful spring forecast we hope for a huge turnout. It will take a fair amount of work to make sure things go smoothly for hundreds of shooters so we need all hands on deck. There will be a sign-up sheet in the clubhouse duties at the shoot and most will have AM and PM slots. Just a reminder that working one of the two major shoots during the year is mandatory to avoid increase in your annual dues. We want your help more than we want your money so please try to make it out to help our club make a great impression at this event.

There will be work parties every Saturday morning leading up to the shoot so come out and lend a hand. It is a very large range and we can use all the help we can get preparing it for the Around the World.

Big thanks to all those members who regularly make it out to keep our range looking as great as it does and a thank you in advance to those who will make it out to the work parties and the Around the World shoot to make sure that everyone remembers our event and keeps coming back year after year.

Hello Everyone

By the time you read this our Awards Banquet will be over. We had around 40 members attend. Spot Award, Club Championship, and 3D Championship awards were given out. We had lots of good food and nice raffle prizes plus a silent auction. Be sure and plan to attend next year.

Our Around The World Shoot is April 17th. We will be needing a lot of help getting the range in shape.

April Club Shoot is April 10th. Sign in is between 8-9 am.

Hope to see you there.

Keep Shooting Straight

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and

Hi Maya Archers,

The range is looking good. Thanks to all the people that come out for the work parties. There is still more work to be done to get ready for our open on the 17th of April. We would like to have as many people as possible to come out on Saturdays to help finish the range for our shoot. For those people that still need work party credits, this is the time to do it. When shooting on the range, make sure that you have your I.D. tag visible and remember that there is no smoking on the range. Be safe.
