Hello Maya Archers, it was awesome to see how many members that came out on the last work party to help out cleaning up the range that the storm left behind, I really appreciate all the hard work that everyone did. Thank you.

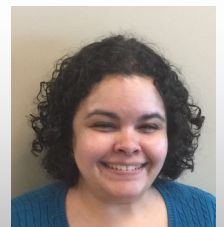

I still have some lanes open. If anyone is interested in maintaining one of those lanes. you can e-mail me at bearhunterbrad@yahoo.com or give me text at 916-203-0299. There is still a lot to do on the range and would like to see you all out there. The work party's are on the second Saturday of each month. Since there is a polar bear league going on right now, the work party will be starting at 10 o'clock and lunch will be prepared by our two awesome cooks, Bob and Olivia. Thanks again and I will see you on the range.

Hi Maya Members,

With the Around the World shoot set for April, I am getting a move on with donation requests for the raffle. Had some success with the vendors at the Sportsmen's Expo earlier this month (thanks for the help Earles family), walking away with a number of small items and some great contacts to reach out to. If any of you members have something that you'd like to donate as a raffle prize, or know of a company that would be willing to donate, please let me know! You can reach me at adriennetay@gmail.com or 916-749-0835.

Have a great day,
Adrienne

Nor Cal

Nor Cal /
Legislative

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region

group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday February 8th at Maya's clubhouse, 7pm.

A Nor Cal region club, Yolo Bowmen, has been working with Yolo County to renew their lease at Grasslands County Park. Negotiations are continuing but the archery range has been closed by Yolo County. The annual Oasis Shoot held by Yolo Bowmen is on hold until further notice.

The next California Fish and Game Commission meeting (CFGC) will be held February 8th and 9th in Santa Rosa. Agenda items of interest, **14**, Authorize publication of notice of intent to amend upland game bird hunting regulations (Section 300, Title 14, CCR) **15**. Discuss proposed changes to waterfowl hunting regulations (Section 502, Title 14, CCR). **18**, Discuss proposed changes to mammal hunting regulations (Subsections 360 (b) and 360(c) and Sections 361, 362, 363, 364 and 364.1, Title 14, CCR), **19**. Discuss proposed changes to regulations concerning deer tagging and reporting requirements (Section 708.5, Title 14, CCR), **20**, Adopt proposed changes to regulations concerning the use of dogs for the pursuit and take of mammals (Section 265, Title 14, CCR). **23**, Non-marine petitions for regulation change, (A) Action on petitions for regulation change, **2**, Petition #2016-028 to clarify which fire service members may validate hunting tags. **24**, Receive annual mountain lion necropsy report.

Community:

Maya Archers has a long tradition of holding events that promote uses of the bow and arrow. Events include tournaments, leagues, shooting instruction, conservation classes and bowhunter education. Partnerships with California Waterfowl Association, Department of Fish and Wildlife, City of Roseville and other groups to hold classes/events at offsite locations or at Maya Archery Range.

The next Maidu All Skills Archery Classes will be Saturday, February 18th and March 18th starting at 10am to 12pm. Several Girl and Boy Scout groups are scheduling sessions that will be held on the same Saturdays as the Maidu classes. Classes are held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

A partnered event with California Waterfowl Association (CWA) is scheduled for Friday March 3rd. CWA's "Marsh Days" introduces school children to the functions of marsh lands with hands on education events. Maya's archery instructors will be running an archery range as one event station out of 4. The clubhouse area and site in range will be closed to host the event till 2pm. The field range will still be open for member use, please drive carefully through the entrance area of the property.
