## April–May 2018

Hello Maya members it's time for another newsletter. Things at the range are looking nice and green. There are big flocks of turkeys on the range always nice to look at too. Our annual awards banquet has come and gone this year we had a small turnout but we still had a good time. Those who attended came out with nice raffle prizes. Big thanks to wilderness archery for letting us use his lanes to host our banquet. Our annual Around The World Shoot is coming up April 15th. We will be setting up the rage

### Community:

Maya Archers has a long tradition of holding events that promote uses of the bow and arrow. Events include tournaments, leagues, shooting instruction, conservation classes and bowhunter education. Partnerships with California Waterfowl Association, Department of Fish and Wildlife, City of Roseville and other groups to hold classes/events at offsite locations or at Maya Archery Range.

The next Maidu All Skills Archery Classes will be Wednesday May 23<sup>rd</sup> starting at 6:30pm to 8:30pm. Classes can be held at the site in range far right side. During

these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Maya and the California Department of Fish and Wildlife will be hosting a couple of classes at the range during the month of April. Friday April 20<sup>th</sup>, a Wildlife Officer Bowhunter Education class is scheduled. To complete this class the Field Range will be closed from 2pm to 4pm. Saturday April 21<sup>st</sup>, an Advanced Bowhunter Education clinic is scheduled on the Field Course. The field course will be closed from 7am to 5pm for the clinic. The class is open to the public; members can register for the class at <https://www.register-ed.com/events/view/114024> if full go ahead and register on the wait list. I had people cancel last year and the wait list fills the canceled spots.

Hello Maya Members

I don't have a lot to report. At our March Club Shoot we had 3 shooters. I would like to see more shooters come out. If you like rewards, this is the way to do it.

Our banquet was held on 3-17-18 at Wilderness Archery in Rocklin. Tex Musser received a 9600 spot award. Tex has been shooting for many years. Congratulations Tex.

Keep shooting

### Around The World Shoot,

It's that time of the year preparing for our Around the World Shoot on Sunday, April 15. I will need some kitchen help and food stand helpers to prepare hamburgers and hot dogs, plus sell sodas. Please text or call me if you can help if you can work all day 700-430 that would be great. If you can work half the day 7-12 or 12-500 that's alright; I will make a list of helpers. We need helpers after the shoot to put away extra supplies and it goes faster with more help! Thanks for helping to make Maya Archers a great club and a place to make friends and have fun!

Hello Maya members,

I want to thank everyone that comes out for the work parties to make our range look awesome. It makes all the work that needs to be done easier. So if you have any free time and want to help out, why not come out. It's only for 4 hours and the club will supply lunch provided by Bob and Olivia, who are awesome cooks and make great meals. If anyone has any questions or concerns about the range or when there's any events going on, you can go on our website ([mayaarchers.com](http://mayaarchers.com)) to find anything about the club. All we ask from our members is that you give us your time for one work party, which are throughout the year, and one special event such as the Around the world shoot coming up in April, but anyone can come out to the work parties as much as they want. The more work parties and special shooting events you work, the lower your dues are for the following year.

We have work parties on the second Saturday of each month, which start at 8:00 a.m. Lunch is served at noon. If anyone is interested in how the range is ran or to see how much work it takes to have an awesome range, come out and give us a hand.
