I will once again startup a Hunting Meeting at the club on Thursday evening beginning February 7th at 7:00 PM. The meetings will be held in the clubhouse! The first meeting we will be covering out of state application and draw odds and tags that can be bought over the counter. Next off in the month of March, we will start getting into gear for backpack hunts. I'm also open to any suggestions that you want covered and we can certainly dive into those subjects.

Online Applications Now Available for 2019 Joice Island Wild Pig Hunts

<https://cdfgnews.wordpress.com/author/ptirawildlife/>

The California Department of Fish and Wildlife (CDFW) is offering wild pig hunting opportunities in March and April at the Joice Island Unit of the Grizzly Island Wildlife Area in Solano County.

The 2019 Joice Island pig hunt drawings will be administered online exclusively. CDFW is accepting applications until 4 p.m. on Feb. 14.

The limited-entry, permit-only hunts help control a small population of wild pigs on the Joice Island Unit, a 2,150-acre wetland area consisting of thick cattails, tules, brush and standing water. Hunters may only use shotguns with nonlead slugs or archery equipment. Dogs and bicycles are not allowed.

Four hunters will be drawn for nine consecutive weekends for a total of 36 hunters. The first hunt weekend will be reserved for apprentice hunters holding junior licenses, age 12 to 17. There is no charge to apply.

Our Club Banquet will be held
on March 16th at
Wilderness Archery in Rocklin.

Hello, Maya members.

Just a reminder that there will be a work party on the second Saturday of each month. Since there is a polar bear league going on, the work party will start at 11:00 to keep up the maintenance at the club house and to keep up with targets so we have plenty on hand. There will be a fabulous lunch served along with the work party provided by Bob and Olivia. So if you want to keep your range looking awesome, please come out and chip in and see how things are kept up and to see what it takes to maintain the range. There is work for all ages for men and woman, young kids to older grown ups. If any member is interested in becoming an officer, you can check out our website to see which officer positions are available.

I also want to remind all Maya members when shooting on the range to keep it safe and only shoot from the stakes provided on each shooting lane. If any member of Maya brings out a friend to shoot with, they must also obey the rules. As a member, you are liable for their actions. Just another reminder that all Maya members are required to wear their I.D. tag somewhere that is visible while on the range.

Thanks for being a member at Maya!

Community:

Maya Archers has a long tradition of holding events that promote uses of the bow and arrow. Events include tournaments, leagues, shooting instruction, conservation classes and bowhunter education. Partnerships with California Waterfowl Association, Department of Fish and Wildlife, City of Roseville and other groups to hold classes/events at offsite locations or at Maya Archery Range.

The next Maidu All Skills Archery Classes will be Saturday February 16th and March 16th starting at 10:00am to 12:00pm. Classes can be held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

The Sacramento International Sportsman Exposition and Youth Fair was held January 17-20, Youth fair was 18-20. There were around 1500 shooters went through the archery range which is about average. Thank you to the Maya members who came out to assist in running the archery range.

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks

for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday March 13th at Maya's clubhouse; 7pm. CBHSAA Petitions for moving the state broadhead championship to the weekend before Memorial day, adding a state marked 3D championship tournament and adding a traditional state championship tournament all passed. The state Marked 3D championship will be at Cougar Mountain Archers June 16th piggy-backed with their open 3D shoot. The state Broadhead Championship will be at Tejon Ranch May

18 and 19.

Region archery club tournaments start February 17th at Yuba Sutter Bowhunters 3D. Next will be Eldorado Hills Bowmen 3D March 3rd and Nor Cal indoor March 10th at Wilderness Archery and Yolo Bowmen tentative March 17th. The next California Fish and Game Commission meeting (CFG) will be held February 6th in Sacramento. 2019/20 mammal regulation changes will be presented to FGC from DFW. Bowhunting changes listed on agenda included going from casting a hunting arrow 130 yards minimum to a draw weight minimum for big game and removing regulation to allow carrying a firearm during an archery only season or archery only tag. Adopting these changes wouldn't take place until FGC meeting in April.
