### Hunting

The archery seasons are upon us now... A Zone has already opened up and two of our members have already been successful. The California inland season will be upon us before you know it and for some of us that have drawn some of the special draws in the X zones. Myself, I've was able to draw an Archery Antelope tag in Zone 3 here in California and Wyoming Elk tag. I know there are more than a few who are headed out of state for various hunts this year. I would like to remind you that you report your success and send me a photo of your animal for entry into the Big Game Awards.

Good Luck,

### Community:

Maya Archers has a long tradition of holding events that promote uses of the bow and arrow. Events include tournaments, leagues, shooting instruction, conservation classes and bowhunter education. Partnerships with California Waterfowl Association, Department of Fish and Wildlife, City of Roseville and other groups to hold classes/events at offsite locations or at Maya Archery Range.

The next Maidu All Skills Archery Classes will be Saturday October 19<sup>th</sup> and November 16<sup>th</sup> starting at 10am to 12pm. Roseville Parks and Recs. Additional group and individual session are scheduled a various dates and times.

Classes can be held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Hello Maya Archers,

The Broadhead League is all wrapped up. I would like to thank everyone that help set up week after week to make a good shoot for the members and guests.

Activities at the range will be a bit slower due to hunting season, good luck to everyone with your hunting this season. If you are successful in harvesting this year, please send us you photos along with a story of you hunt if you would like. The next shoot will be the Sick Bow held the first Sunday of November so remember to get your one work party credit and your

special event credit. Don't forget Zombie shoot in October. That's all for now will see you all at the range.

President Carlos

## Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/ bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday October 9<sup>th</sup> at Maya's clubhouse; 7pm. No agenda has been established at this time.

The firearm change doesn't apply for deer hunting due to language in Fish and Game code. The code can only be modified by the state legislature and there is no current bill to do so. Caution; if you're in possession of a deer tag and it's the archery season or Archery only tag but claim to be only bear hunting and possess a firearm, you could be cited but is dependent on the Wildlife Officer.
