Hello Maya members. The Polar Bear League is on it way Saturday morning registration is from 8am-9am al the targets we have are Rinehart targets So come out and shoot have a good time, we shoot rain or sine. Our anual banquete is going to be at Wilderness Archery April 4th at 6pm this will be a pot luck. It's a fun time to meet new members and enjoy good food and awesome raffle prizes.

The ISE Youth Fair has come and gone this year, I would like to thank all the Maya instructors and members along with Roberta Henry, Jacob Waddles and Jon Irving. Who took time to help kids shoot archery along with all the other clubs, El Dorado Bowmen, Cougar Mountain Bowmen, Wildernesses JOAD . This year we just had over 1,700 kids come through the archery program. We had great raffle prizes to give away, this would not have been possible if it wasn't for the donation that clubs give to the Bowhunter Education Program, this is how we buy Genesis Bows for the kid gift certificates, lots of Balloons and all materials needed to run this shoot. Clubs who donated: Maya Archers, El Dorado Bowmen, CBH, Cougar Bowmen , Yolo Bowmen. Thanks to everyone for helping out.

### Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday March 11<sup>th</sup> at Maya's clubhouse; 7pm.

The next California Fish and Game Commission meeting (CFGCM) will be held February 20<sup>th</sup> and 21<sup>st</sup> in Sacramento. No agenda has been posted at this time but mammal and waterfowl regulations will be discussed.

A Wildlife Resources Committee meeting will be held March 5<sup>th</sup> in Sacramento. Purpose of meeting is to discuss 2020 Simplification of Statewide Inland Fishing Regulations proposal.
