Maya News

December 2019– January 2020

Hello Maya members,

This year is almost over and we are coming to our last shoot of the year. The Toys for Tots is December 1st it will be a 13, 3-D Rinehart targets. So come out, bring an unwrapped toy and give a child in need a toy. Our Stick Bow has come and gone. We had a better turn out than last year. We had awesome raffle prizes. A

big thanks to Wilderness Archery for donating to this club for over 30 years, Sportsman Warehouse, and all the members that donated to the club.

Now a special thanks to Bob Lawson who started this Stick Bow 32 years ago. Bob has donated a dozen wooden arrows for many years, arrows that are so nice people don't want to shoot them. But one lucky person wins them every year and they always leave with a smile on their face just knowing that they won awesome Lawson arrows. I want to thank all the members again for all the help on this shoot. We, the board, do appreciate it very much.

Now on some final things, I have had some complaints on members not paying attention when parking in the back by target #6, as a member you must pay attention to all the shooting lanes making sure that the shooter sees you and you see the driver. Safety for our members is our number one goal, so please pay attention when driving to the back.

Well, I think that's all from me.
See you at the range.

VP Hunting

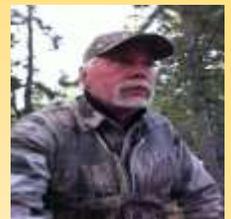

As the new year starts to begin its time again to start planning for your 2020 out of state hunts. Wyoming is up first and starts accepting non-resident applications for Antelope, Deer, Elk, Big Horn Sheep, Mountain Goat, & Moose on January 2nd. Non-resident deadline for Elk is January 31st. Non-resident deadline for Big Horn Sheep, Mountain Goat, & Moose is February 28th. Antelope & Deer deadline for application is May 31st.

In the future I will keep you advised of other states accepting non-resident applications as they make them available.

On a side note... we once again did a wild game brats and sausage making event on November 17th thanks to Tom Burns. We processed 160 pounds of bear, deer, & elk that morning. Tom has offered a class in making salami after the first of the year. Please let me know if you are interested in making salami out of your leftover wild game meat.

Also I would like to know if members are interesting in doing a Swap Meet/Sale of archery gear, hunting gear & camping gear sometime in the future. It would be open to all members who wants to sell or swap. If we have enough interest I can setup a date in the future. Please contact me by email dnb5@comcast.net.

Classes can be held at the site in range far right side. During these classes the site in range is still open except for the wall of hay and sometimes the 20 yard target for extra-large groups. If you're unsure of what's open or procedures, ask the lead instructor/coach running the event. Thanks to all the members who have used the site in range while the classes have been held to keep safety as a priority.

Nor Cal

What is Nor Cal? The full name for this regional group is Nor Cal Bowhunters. They represent the areas 9 archery/ bowhunting clubs and 3 archery pro shops to California Bowmen Hunters State Archery Association (CBHSAA). CBHSAA and Nor Cal are chartered to the National Field Archery Association (NFAA). What do Nor Cal and CBHSAA do for Archery or Bowhunting? There are many facets to their representation of Archery and Bowhunting. CBHSAA is "Dedicated to Promoting and Protecting the Archery and Bowhunting Heritages". This statewide organization speaks for California Archers and Bowhunters in matters concerning Legislation and Regulation since 1943. The Legislative committee of CBHSAA includes a Coordinator, 6 state area reps and each region group has one legislative representative. Archery is a shooting sport so at times issues arise to limit or exclude the shooting of Bows and Arrows for any purpose. CBHSAA will pursue those actions for the benefit of all Archers and Bowhunters.

The next Nor Cal meeting will be Wednesday January 8th at Maya's clubhouse; 7pm. CBHSAA petitions will be discussed and voted on before the January 10th – 12th state meeting in Visalia. CBHSAA members of Maya will have the opportunity to vote on these petitions at our January 7th general meeting.

The next California Fish and Game Commission meeting (CFGC) will be held December 11th and 12th in Sacramento. No agenda has been posted at this time.

Regional club, Nevada County Sportsmen will be having their Ham Shoot Saturday December 7th.
